

APIA Scholars 2021 WHERE WE ARE GOING

APIA Scholars is scaling impact beyond scholarships by focusing our programming on College and Career Success. Through our research, we are identifying the college and career success barriers of the APIA community and our programming is aimed to overcome those barriers.

Our 4 Key Focus Areas:

College Access and Success

Resources and Support to Address Inequities and Remove Barriers

Early Career Development

Building and Supporting Diverse Talent Pipelines

Raising Our Visibility

Sharing Our Stories to a Wider Audience

Building Capacity

Directing Resources to Scale Impact

Become a Funder

If you are committed to serving diverse communities or have passion around our areas of focus, we invite you to become a part of this growing list of Corporate and Foundation leaders who support APIA Scholars.
