

Congratulations

APIA Scholars

20th Anniversary

September 11, 2023

As Mayor of Washington, DC, it is my honor to extend congratulations to Asian Pacific Islander American (APIA) Scholars on the occasion of your 20th Anniversary celebration.

Since its founding, APIA Scholars has improved the lives of the Asian American Native Hawaiian and Pacific Islander community through its scholarship awards to 7,200 students across 11 time zones.

The APIA Scholars also provides resources scholarships to help APIA and early career professionals achieve success. District of Columbia residents have benefited enormously from your generosity and dedication.

As you celebrate this significant milestone, may the occasion be a springboard to even greater achievements in educating and empowering future generations of APIA leaders.

On behalf of the nearly 700,000 residents of Washington, DC, you have my sincere congratulations on your 20th Anniversary and my best wishes for a successful and productive event.

Muriel Bowser
Mayor, Washington, DC
